Anderson Strader Gathers Souvenirs in Long Hospital Stay

COLLECTION: Up on a sun porch at the Harrisburg hospital lies Anderson Strader. Now, a lot of people lie in beds at this hospital but Mr. Strader has passed the eight-year mark. He suffered a severe back injury in a fall on June 4, 1946. He spent from June 4-11 at Lightner hospital, then was taken to St. Louis. He was taken to the Harrisburg hospital Sept. 28, 1946, and has been a patient there since.

I hadn't seen Mr. Strader for some time but was amazed at how fine he looked. He was heavier, stronger looking and his outlook was the best when I visited him this week.

The smile was there, a television set was there and the trapeze over his bed was filled with toys and gadgets.

"They're all little souvenirs from different ones," he said. They've come from all over. From Boston, New York, Flint, Mich., and all the towns around here like Carrier Mills, Carbondale, Marion, Golconda and Ridgway. Most have come from little kids who have come in to see me."

I looked up and estimated there were about 80 items hanging on the pipes by little pieces of wire. There were toy pistols, a frog, puppets, a sailboat, real baby shoes, a toy squirrel, toy monkey and other items. There was a wooden chain made and given to him by "Runt" Burnell, he said. And "Babe" Reynolds of Ledford came in one day and threw a rubber crawfish on his bed.

Charlie Cox, who has made numerous articles out of wood, brought him a man, woman, bird, two chickens and two ducks he carved himself. These are in the collection, too.

"It all started back in 1949," he said, "when Mr. Luckett's little boy from Muddy had appendicitis and was in the ward. Just before he left he came in to see me and asked me what I had to play with. When I told him I had nothing he said, 'Here, take this jumping jack. I can get another one.'"

Mr. Strader had the jumping jack fastened to the trapeze and a short time later, he said, George Gobin's little girls were up there. "They saw the jumping jack and said they wanted to bring something," he said. "They did. And since then people who have come to see me have noticed the collection and brought or sent me things to add to it."

Mr. Strader has had wonderful enjoyment out of his television set and radio although the TV set is out of order now. It has been for a number of weeks and he hasn't been able to get it fixed. A little over two years ago Uzzle's gave him the set and Peabody 43 men gave \$25 toward his antenna installation.

"I got St. Louis, Champaign, Indianapolis, Louisville and Nashville besides Harrisburg," he said. "My favorite programs are Lucky Le-Roy, Cactus Pete and the Beehive. Oh yes, I stayed up late for the Beehive program. The nurses and the patients who could walk would all come in for the Beehive program."

One prized possession is a Christmas card he received just before Christmas. Ronnie Williams, one of the HTS athletes, was in the hospital with an injured foot and the basketball squad came up to see him. Then they ventured in to see Mr. Strader, and he told the boys he listened to all their games.

A few days later he received the card, signed by the coaches and the basketball squad boys, who every day see a card hung prominently in the coaches' office which says something like this: "I Complained About My Shoes Until I Saw a Man Who Had No Feet."

New Zealand Prime Minister Here on Issue

London Reports Consultations With United States

WASHINGTON (AP)—The United States and its allies stepped up their search today for a quick way to end the fighting between Chinese Nationalists and Communists before a major conflict erupts.

Top consideration is being given a cease fire in the Chinese struggle now centering on Nationalist islands off the Red-held China Coast.

Informants said the project is being weighed in two forms: formal action by the United Nations to try to arrange a cease fire, and informal behind-the-scenes talks with both sides.

New Zealand, one of the principal nations figuring out a cease fire, planned to take the issue up formally today with the United States. In London, the British Foreign Office said that "active" consultations are in progress between Britain and the United States on a China cease fire.

New Zealand Prime Minister Sidney G. Holland had two important calls here today—at the White House to lunch with President Eisenhower, and at the State Department with Secretary John Foster Dulles. The cease fire problem was sure to be discussed at both meetings.

Diplomats said the ultimate result of current talks between the allies would be up to the Chinese Reds and Chinese Nationalists. They said the idea of stopping the shooting had "interesting possibilities" given any kind of interest on the part of the Chinese.

Veteran diplomats were pessimistic about the chances of any quick truce.

U. S. Officers Removed from Tachen Island

TAIPEI, Formosa (AP)—American advisory officers were reported today to have been removed from bomb-battered Tachen Island, pawn in a vicious air-sea war between the Chinese Nationalists and the Reds.

The report, regarded as reliable here, came shortly after another from a top American source that the Nationalists had indicated their willingness to withdraw from their imperiled island holdings some 200 miles north of Formosa.

Nationalist warplanes were blasting Communist shipping along a 300-mile stretch of the East China coast again today in another major effort to at least forestall the forced evacuation of the islands.

Generalissimo Chiang Kai-Shek summoned his top lieutenants into emergency session to consider the situation.

The withdrawal of the approximately 10 American officers and men on Tachen was said to have been carried out under considerable "difficulty."

The island has been subjected to merciless aerial attack by the Reds, and the Americans were said to have left after Red bombs knocked out their installations.

The Americans were headed by an Army colonel. Their job was to advise island commander Gen. Liu Lien-Chi and to train Nationalist troops in the use of American weapons.

The American source said Nationalist Ambassador George Yeh was believed to have approached U. S. authorities in Washington for help in removing troops from the outpost island only a few miles off the mainland with its huge Red Chinese air bases.

Court Upholds ICC Refusal to Approve New Rate Schedule

SPRINGFIELD (AP)—The Illinois Supreme court today upheld the Illinois Commerce Commission's refusal to approve a new rate schedule for electricity furnished by Central Illinois Public Service Co. to Illinois Electric and Gas Co.

TALKED WITH CONVICTS—Reporters gathered around the Rev. Edward Hartigan as he read a statement expressing optimism that some progress is being made in the negotiations to release the five hostage guards held by armed convicts at Massachusetts State Prison, Charlestown. The priest, who spent considerable time with the convicts, said they still threaten death to the guards unless they get out of prison. (NEA Telephoto)

No Decision Yet by Stratton On Sales Tax Hike, School Aid Formula

SPRINGFIELD (AP)—Gov. William G. Stratton said he still has made no decision on whether to increase the state sales tax.

Stratton also said he has not yet decided what the formula for financing Illinois schools in 1955-57 should be.

The governor said he will make no final decision on these matters until the study for his budget message to the State Legislature is completed in mid-March.

Stratton was asked for his views on the sales tax increase and on school aid Thursday after it was reported he would retain the 1953-55 school aid formula and favor a temporary sales tax increase.

Says Cost Will Be Uppep

Rep. Charles W. Clabaugh (R-Champaign) said if Stratton decided the state should aid schools at the 1953-55 rate, "there can't be any escape" from hiking the sales tax.

Under the present setup, schools get \$173 per pupil. The state makes up the difference between the \$173 standard and any lesser amount raised by school districts under a local qualifying tax rate.

The School Problems Commission recommended raising the local qualifying rate.

"We are still hopeful that we can avoid it this time, too," he said. He was asked if he still had "an open mind" on the question of whether the tax must be hiked.

"Of course," he replied. "I never said I didn't."

The governor said his budget study includes investigating building programs proposed by state universities and colleges and welfare institutions.

"We are trying to determine which buildings and improvements are not absolutely necessary," he said.

Clabaugh said the governor would have to junk the entire building or capital improvement program to continue the present state formula of school aid without hiking taxes and added, "I don't think that's possible."

Brother of Rev. W. H. Hughes and Mrs. Myrtle Towles Dies at Paducah

Jesse Homer Hughes, resident of Paducah, Ky., passed away in a hospital there Wednesday night. He leaves his wife, Mrs. Edith Hughes, a son, Jesse Homer Hughes Jr.; his mother, Mrs. Eve McGill of Carrier Mills; a brother, Rev. W. H. Hughes, pastor of the Mt. Pleasant Baptist church in Harrisburg; an aunt, Mrs. Myrtle Towles of Harrisburg, and one uncle, Rev. Charlie Duley of Carrier Mills.

The body now lies in state at the Mundy funeral home and funeral and burial will be in Paducah Sunday at 2 p. m.

Democrats Say Iks Has Power To Use Forces

President Considers Asking Congress for Specific Approval

WASHINGTON (AP)—Key congressional Democrats said today it's up to President Eisenhower and not Congress to decide on the use of U. S. air and sea power to defend Formosa and its outposts.

These Democrats said Mr. Eisenhower, as commander-in-chief, has all the authority he needs to make the decision.

They recalled that President Truman took all responsibility for going into Korea in 1950 and did not call congressional leaders in except to report his action.

This was the Democratic leaders' reaction to disclosure Thursday that the administration is considering asking Congress for specific approval to use American forces to protect Formosa and to "cover" any evacuation of Chinese Nationalist troops from the beleaguered Tachen Islands.

The proposal "leaked" after a secret Far East briefing of congressional leaders conducted by Secretary of State John Foster Dulles and Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff.

While objecting to the proposal as unnecessary, the Democrats made it clear they will give Mr. Eisenhower their approval if he asks it.

Mr. Eisenhower apparently wants to make doubly sure he has clear legal and congressional authority before committing American ships and planes in any such emergency action.

Concern over the basis for such American action has been developing ever since the chief executive faced the dangerous problem of intervention in Indochina a year ago when his own party was in control of Congress.

Congressional leaders were told privately then that Mr. Eisenhower was thinking about seeking authorization for action in the form of a joint resolution by both the Senate and House. The plan fell through when Britain balked at going along, and the Indochina outpost of Dien Bien Phu fell.

On the legal side, Mr. Eisenhower believes his authority to use the U. S. 7th Fleet became questionable following conclusion of the Korean armistice. When the United States entered the Korean war, Mr. Truman simultaneously ordered the fleet to protect Formosa. He also asked the Nationalist government to stop attacking the mainland. This latter provision was removed by the Eisenhower administration but recently restored.

Dulles, with Mr. Eisenhower's approval, signed a mutual defense treaty last year with Formosa which the secretary of state has said would authorize the President to use armed forces. Dulles said this authority "originally derived from the Korean war, may be tending to become obsolete from the lapse and passage of time, and the conclusion of the armistice in Korea." The pact is awaiting Senate approval.

Death Takes Cora Cummins, 85

Cora Cummins, 85, life long resident of Harrisburg living at 1316 South Hobson, died yesterday at 12:30 p. m. in the Lightner hospital.

He leaves his wife, Anna, and the following children: Mrs. Marie Seeds, Lawrenceville, Mrs. Fannie Hoppel, Paducah, Ky., Robert of Detroit, Mich., John of Centerline, Mich., Al and Harold of Harrisburg; two brothers, Temple and William of Harrisburg, and one sister, Mrs. Charles Widner, Indianapolis, Ind.

The funeral will be held Saturday at 2 p. m. at the Dorrisville Baptist church. Rev. Roy Reynolds will conduct the service, and burial will be in the Sunset Hill cemetery. The Gibbons funeral home will be in charge.

Cave-in-Rock Man Dies After Home Destroyed by Fire

William Harvey Herrin, 82, life long resident of Cave-in-Rock, died suddenly yesterday in Cave-in-Rock at the office of a doctor.

Death came after his farm home had been destroyed by fire. The body is now in care of the Rose funeral home in Cave-in-Rock and funeral plans are incomplete.

Remove Rig from Oil Test Endangered by Gas from Mine

The rig was moved out yesterday from the Roy H. Cook oil test in Section 15 of Eldorado township because of the dangers of mine gas.

It was hoped that the gas will spend itself and that the operation can be resumed in the near future.

U. S. Calls on China to Release Prisoners; Will Not Encourage Visits

WASHINGTON (AP)—The United States today again called on Communist China to release American prisoners it holds.

At the same time, this government said it cannot "in good conscience encourage" relatives of American prisoners to visit them in Red China.

State Department spokesman Henry Sydam refused to say whether or not the United States would let relatives visit the prisoners as Red China has offered. He refused to say whether any relatives have yet asked for permission, whether the government would provide transportation or whether any Americans have been allowed to visit Communist China since 1950.

It was in this connection that this government in a statement by Sydam, again called on the Chinese Reds to release the Americans.

"It is by releasing those they hold that the Chinese Communists can convincingly show concern for the human suffering they have caused," Sydam said.

Sydam was asked for U. S. reaction to the United Nations announcement of Red China's offer. "The U. S. government cannot of course in good conscience encourage those who may wish to go into an area where the normal protection of any American passport cannot be offered," Sydam said.

"World public opinion will judge the motives of those who, having it in their power and being under an obligation to end promptly the tragic grief they have caused now visit upon the families of these imprisoned Americans a narrowing dilemma."

Evades Questions on Visits

"It is by releasing those they hold that the Chinese Communists can convincingly show concern for the human suffering they have caused," Sydam noted that U. N. Secretary-General Dag Hammarskjold was informed during his Peiping visit to free American prisoners that the Communist authorities "might permit relatives to visit those United States personnel who had been convicted and those whose cases were under investigation and that they would provide them the necessary entry visas."

Sydam flatly refused to answer a barrage of questions by newsmen seeking to determine whether the United States actually will permit the relatives to visit Communist China.

The United States has been stamping American passports invalid for travel to the Communist mainland.

President's View Unknown

The White House declined to say how President Eisenhower feels about the Red offer.

In Congress, Senate Republican Leader William F. Knowland, who has called the Hammarskjold mission a failure, described the Chinese Communist offer as "part of a propaganda buildup."

Rep. Paul Powell, Vienna Democrat, appointed to Appropriations; Agriculture, Banks and Buildings and Loans, and Industry and Labor Relations. In the last session, Powell, as minority leader, was an ex-officio member of all committees.

Rep. Gordon Kerr, Brookport Republican, will serve on Executive and Public Aid, head Military and Veterans Affairs.

Rep. W. O. Verhines, Vienna Republican, renamed to Revenue and given new assignments on Banks and Buildings and Loans, Education, Roads and Bridges. His appointment as vice chairman of Personnel and Pensions was announced earlier this week.

Eldorado Man Asks Arrest as Vagrant in Marion

MARION, Ill. (AP)—Farlie Vaughn, 50, of Eldorado, walked into the Williamson county jail Thursday and told Sheriff Carl Miller: "I'm a vagrant, arrest me."

Miller obliged and filed a vagrancy charge in county court. Vaughn pleaded guilty and was sentenced to three months at the State Penal Farm at Vandalia.

"That's not enough," Vaughn told Judge A. R. Cagle. "I want five months."

The surprised judge asked why Vaughn wanted the longer sentence. Vaughn said he worked as a cook in a lunch wagon following the county fair circuit in the summer and now he has no work. If he got five months at Vandalia, he would be released in June just in time to start cooking again.

Cagle gave him a five-month term.

First Positive Result of Talks With UN Chief

Action Raises Hopes Red China Will Free Prisoners

UNITED NATIONS, N. Y. (AP)—Red China has agreed to let the families of 17 jailed Americans visit them in Chinese prisons, the United Nations announced today.

Eleven of the prisoners are American airmen jailed as "spies," two others are civilians also held as spies and the four others are airmen shot down in separate engagements during the Korean war.

The announcement was the first of any positive nature to emerge from the talks in Peiping earlier this month between United Nations Secretary General Dag Hammarskjold and Red China's Premier Chou En-Lai. A simultaneous announcement was broadcast by the Communist Peiping Radio.

It raised new hope that the Reds intended eventually to release the prisoners.

It said facilities for the visit would be provided by the Red Chinese government and arrangements would be made by the Communist Red Cross.

The U. N. issued the following "note to correspondents": "As is being announced this morning from Peking (Peiping), Premier Chou En-Lai during his talks with Secretary General Dag Hammarskjold indicated that the government of people's republic of China would provide facilities for relatives to visit those United States personnel who had been convicted and those whose cases were under investigation if they should wish to do so, and that the Red Cross society of China would make all the arrangements necessary."

Observers here saw the announcement as the most optimistic indication yet that the Reds eventually would free the fliers. They believed that the extraordinary invitation extended by Chou would not have been made if the fliers were to be jailed indefinitely.

The 13 men convicted by Red China on espionage charges included two Midwestern men—Airman Harry M. Benjamin Jr., Worthington, Minn., and Sgt. Howard W. Brown, St. Paul, Minn.

Among the other airmen whose detention the U. S. complained were three from the Midwest—Lt. Lyle W. Cameron, Lincoln, Neb.; Capt. Harold E. Fischer, Iowa; and Lt. Roland W. Parks, Omaha, Neb.

UNITED NATIONS, N. Y. (AP)—Families of the 17 Americans imprisoned by Red China generally gave a lukewarm reception today to the invitation to visit them.

The parents of Capt. Harold Fischer Jr., Iowa, said one of their sons would definitely accept the bid if he is not released soon.

The main objection of the others was the cost—anywhere from \$1,000 to \$2,000 roundtrip just to Hong Kong.

Most of the relatives of the imprisoned men said they couldn't afford anything like that.

Fire Ruins at Wasson Mine Continue to Glow

Ruins of buildings at the abandoned Wasson 1 mine at Wasson continued to glow today following a fire that burned the rescoring plant and the building that had housed the engine room and boiler room.

Salvage work was being done at the site by Frank Cobin of Dowell, Ill.

An employee said the fire was accidentally started by a workman using a torch in the engine room late Wednesday. The torch caught some oil-soaked wood on fire and workers fought the blaze. He said when he left about 6:30 p. m. it was believed the fire was out but around 7:30 it burst forth, destroying the frame building covered with corrugated metal and the rescoring plant.

State Withholds Township Gas Tax From 33 Counties

SPRINGFIELD (AP)—The State
Finance Department today an-
nounced it is withholding gas tax
allotments to townships and road
districts in 33 counties which have
failed to meet the law.

Finance Director Morton H. Hol-
lingsworth said county clerks in
the 33 counties hadn't filed proof
that their township or road dis-
tricts had levied the minimum tax
rate provided by law.

This minimum for road and
bridge purposes is eight cents per
\$100 assessed valuation. A form
certifying that this rate has been
levied must be filed with the state
by Jan. 1 each year.

Hollingsworth said the allotments
to the 33 counties from gas taxes
the state collected during Decem-
ber and for future months will be
withheld until they meet the re-
quirements. The amount being
withheld for December totals \$299,
037.

If any district levies a tax below
the minimum, its share of gas tax-
es will be split up among eligible
districts within the same county,
Hollingsworth said.

The 33 ineligible counties are:
Bond, Bureau, Clinton, Cass, Cook,
Crawford, Douglas, Du Page, Ed-
gar, Fayette, Ford, Franklin,
Greene, Hamilton, Jo Daviess,
Kane, Kendall, Lake, Lawrence,
Lee, McDonough, Marion, Mason,
Mercer, Ogle, Putnam, Rock Island,
Schuyler, Shelby, Union, Vermil-
ion, Warren and Woodford.

The other 69 counties were al-
lotted a total of \$665,664.

The WASHINGTON MERRY-GO-ROUND By DREW PEARSON

DREW PEARSON Says:
Dulles' Offer To Place High
Democrat In State Department
Turned Down By Sen. George;
Deputy Secretary Anderson
Takes Scales Against South
American Oil Imports; Con-
gressman Walter Boils At Gen.
Swing's Immigration Policy.

WASHINGTON — Elder states-
man Walter George of Georgia, the
most respected member of the
Senate, gave some bad news to
Sen. Foster Dulles the other day.
He flatly rejected Dulles' plea
that a high Democrat agree to join
the State Department to promote
bipartisan foreign policy.

When Dulles came up to Capitol
Hill to consult the venerable sena-
tor from Georgia, George told him
the Democrats want no respon-
sibility whatsoever for foreign
policy under the Eisenhower ad-
ministration. Dulles offered to
name anyone the Democrats sug-
gested to the State Department
staff as a key adviser; but Senator
George suspects this is merely a
move to get the Democrats to soft-
pedal their attacks. So he gave
an emphatic no.

He added that he had no objec-
tion to some Democrat taking on
a special mission temporarily; but
he and the rest of the Democrats
would suggest no one to serve full
time in the State Department and
share responsibility for Republi-
can foreign policy.

George didn't exactly say so, but
the implication was that Dulles'
policies frustrated up and down
too abruptly in Indo-China, For-
mosa, France and elsewhere.

DEBATE OVER OIL
One of the hottest debates inside
the Eisenhower administration has
been over the prickly question of
importing South American oil. The
backstage debate has raged for
weeks, has finally been settled by a
special cabinet committee—though
not to the satisfaction of the State
Department.

According to the present vote,
future oil imports will be frozen
at the 1954 levels—a blow chiefly
to Venezuela. That is why the State
Department has its back up—
though the ban will be welcomed
by the coal areas of West Virginia,
Pennsylvania, plus the oil areas of
Texas and the Southwest.

It was Texas, incidentally, that
finally tipped the scale inside the
President's committee.

Deputy Secretary of Defense Bob
Anderson, former president of the
Texas Mid-Continent Oil and Gas
Association, is one of the most per-
suaasive members of the Presi-
dent's committee. He was not only
persuasive, but adamant, for re-
stricting Venezuelan oil imports.

Undersecretary of State Herbert
Hoover Jr., opposed him. Though
an oil man himself, active in the
Union Oil Company of California,
young Hoover argued against re-
strictions. He feared that any cur-
tailment of oil from Venezuela
would cause unemployment, un-
rest and trouble in that key South
American country.

The arguments against Anderson
were that the Eisenhower admini-
stration had just gone on record for
lowering tariffs and trade bar-
riers; that while Eisenhower was
asking Congress to extend the Re-
ciprocal Trade Act for three years,
his own cabinet committee was re-
stricting imports from friendly
Venezuela.

Note — It was finally decided
that American oil companies
should restrict imports from Vene-
zuela on a "voluntary" basis for
the first year. If the "voluntary"
system doesn't work, there will be
compulsory restrictions.

JUNKETING BUREAUCRAT
Foreign Claims Chairman Whit-
ney Gilliland, who fired one-third
of his employers just before
Christmas, including the Negro
woman of the year, for "budget-
ary reasons," found enough money
in his budget last week to take off
on a Far Eastern junket.

Though the trip is supposed to
be "official business," Gilliland
went out of his way to visit Japan,
where the Foreign Claims Com-
mission has not present nor pros-
pective business. It happens, how-
ever, that Gilliland's son is living
in Japan.

On the other hand, Gilliland
avoided cold, bitter Korea where
most of the agency's work this
year will be coming from.

Note: Gilliland's firing of Mrs.
Jane Morrow Spaulding, "Negro
woman of the year," cost Eisen-
hower more Negro support than
any other issue in recent months.

SWINGING AT GEN. SWING
Congressman Walter of Pennsyl-
vania, co-author of the McCarran-
Walter immigration bill, is boiling
mad at the way Gen. Joseph Swing,
immigration service chief, is ad-
ministering his baby.

In a couple of scathing private
letters, the aroused Pennsylvania
Democrat accused Ike's West Point
classmate of "very sloppy admini-
stration" of the law; hammered
him for "callous disregard of all
humane consideration in dealing
with the arriving alien"; charac-
terized his method of holding new
immigrants for questioning as
"chaotic and not calculated to im-
prove prospective citizens with the
efficiency or common sense of the
government of the United States."

Then, referring to Swing's whole-
sale reshuffling of immigration
service employees—first exposed
in this column—Walter criticized
Swing's throwing "the whole
long-established machinery of im-
migration into . . . confusion."

General Swing didn't even show
the courtesy of answering Con-
gressman Walter's first letter until
after receiving the second. Then
he ducked Walter's requested face-
to-face talk.

Gen. Ridgway To Stay On as Chief of Staff

WASHINGTON (AP)—Gen. Mat-
thew B. Ridgway will be kept on
as Army chief of staff with free-
dom to oppose in Congress the ad-
ministration's deep cuts in Army
manpower.

With President Eisenhower's ap-
proval, Army Secretary Robert T.
Stevens announced Thursday that
Ridgway will serve beyond his
stated retirement date next March
31. The four-star officer, former
8th Army commander in Korea
and supreme Allied commander in
Europe, will be 60 in March and
needed special action to remain
on active duty.

An ardent believer that the Ar-
my remains the decisive factor in
war, Ridgway recently wrote an
unpublished letter to Mr. Eisen-
hower which was authoritatively
reported to object to the Presi-
dent's cuts in the Army.

From a Nov. 30 strength of 1-
343,000, the Army was directed to
cut to 1,100,000 by next June 30
and 1,025,000 by mid-1956.

Ridgway's future has been
cloudy as the retirement date near-
ed. He appeared to be on a spot,
in view of his persistent and often
repeated view that nuclear war-
fare means bigger rather than
smaller armies. He stated that
opinion at the Denver White House
last September.

Associates say Ridgway will pull
no punches when Armed Services
and Appropriations committees ask

his opinion of the Army cuts. He
considers it a military expert's
duty to carry out loyally civilian
superiors' decisions but to point
out what the military consequences
could be. He thinks those conse-
quences could be damaging in view
of the Army's worldwide commit-
ments.

The United States has never
issued any gold certificates below
the denomination of \$10.

Fore and Aft- and Curbside, too-
It's the style hit of the year!
You can take our word for it when we
tell you this:
The first time we put eyes on the 1955
Buicks, we really raised a cheer.
To top the looks of last year's Buick — the
car that moved Buick into the top three of
the nation's best sellers—that was something.
That gave us two hits in a row, we figured
—and it seems we figured right.
For with these stunning new 1955 Buicks,
we're getting even more noses pressed
against our showroom windows than last
year — and more folks coming in to look and
study and drive and buy.
But bold new styling, of course, is just one
reason for the sensational success of these
great cars.
New power is part of the picture—robust
new V8 power in record might—236 hp in
the CENTURY, SUPER and ROADMASTER —
188 hp in the low-priced SPECIAL.
New performance, too—from the dynamic
action of Buick's Variable Pitch Dynaflo®
that gives you far better gas mileage in nor-
mal driving and cruising — and full-power
getaway or safety-surge acceleration, but
instantly, and with infinite smoothness.
So you can see that just looking isn't enough.
You have to take that wheel in your hands,
try that power, feel that Dynaflo take-
hold surge, sample that Million Dollar
Ride—and check the hard-to-pass-up prices
we're quoting.
We'll gladly help you do all that. Why not
come in this week?
*Dynaflo Drive is standard on Roadmaster, optional at extra cost
on other Series.

Liberty Baptist W. M. S.
Has Focus Week Program
 An observance of the Women's Missionary Union Focus Week the Liberty Baptist W. M. S. held its regular meeting at the church in conjunction with the Wednesday night prayer service.

The meeting was opened with the hymns, "What a Friend" and "Send the Light," followed with prayer by Mrs. Renzo Horton. Mrs. Woodrow Owen, president, presided during the business session after which the Royal Service lesson was conducted by Mrs. Elbert Langford, the program chairman.

The hymn, "Let Others See Jesus in You," was sung with Harry Powell leading in prayer.

The watchword for the year, "As Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up," was repeated by the group. The devotion, "The Master Witnessing to Jews," using Luke 24:13 as scripture lesson, and the topics, "Pointing the Way to Chosen People" and "What They Believe," were given by Mrs. Langford.

"The Jews Stick Together" was given by Mrs. George Froman; "They Get on So," Mrs. Lela Gibbs; "Have They Lost Their Way," Mrs. Harold Reynolds; "Reaching Them Through Our Mission Board," Mrs. Woodrow Owen; "In the South Through Home Mission Board," by Mrs. Horton.

The meeting was closed with prayer by Mrs. George Froman. Mrs. Hugh Hawkins and Mrs. L. B. Malone leading.

Social and Personal Items

American Legion Auxiliary Past Presidents Have Meeting

The Past Presidents of the American Legion Auxiliary met with Mrs. Arthur Moore Tuesday evening.

Following the regular business meeting a social hour was enjoyed during which time an endurance game was played with the prize going to Mrs. C. W. Whitley.

The hostess served lovely refreshments to the following: Mrs. Harry Barter, Mrs. Trafton Dennis, Mrs. C. E. Wing, Mrs. Ernest Cozart, Mrs. C. W. Whitley, Mrs. W. W. Wheatley, Mrs. W. L. Tate, Mrs. John Schwartz and Mrs. Freda Keltner.

McKinley Baptist Fidelis Class Holds Regular Meeting

The Fidelis class of the McKinley Avenue Baptist church met at the home of Mrs. Betty Yarb Tuesday night with Bonnie Brinkley as assistant hostess.

The president, Mrs. Betty Pool, called the meeting to order and opening prayer was given by Mrs. June Martin. Mrs. Pool gave the devotion.

Refreshments of cake, ice cream, coffee and Cokes were served to the following: Mrs. Carol Hollaway, Mrs. Barbara Crabb, Mrs. Barbara Grisham, Mrs. Aleta Pankey, Mrs. Myrna Fife, Mrs. Barbara Ramsey, Mrs. Wilma Simpson, Mrs. Betty Pool, Mrs. Shirley Brinkley and daughter, Connie, Mrs. Fonda Stout and the teacher, Mrs. June Martin.

Pink is for evening this year. A small pink fur evening wrap or, at lesser cost, a pink muff, a oag, a pair of gloves or a string of pearls. A pretty, fragile way to look.

Mrs. Wayne Dixon Hostess To Xi Beta Omega Chapter

The monthly business meeting of Xi Beta Omega chapter of Beta Sigma Phi sorority was held at the home of Mrs. Wayne Dixon on North Webster Monday evening with Mrs. James Gaskins as assistant hostess.

Routine business reports were given by committee chairmen and a communication from the international office pertaining to the endowment and loan funds were read and explained by the president, Maryalce Morris. The members voted to approve the ballot from the international office to transfer \$10,000 from the endowment fund to the loan fund.

An announcement of an area convention, which will be held in Oklahoma City, Okla., on April 15, 16 and 17, was made by the president, and tentative plans were discussed for a Couples Valentine party to be held in February with the Beta Kappa chapter. Naida Upchurch, Wilma Mae Rubel and Martha Dixon were appointed to represent the chapter on the social committee.

At the close of the business session a March of Dimes collection was taken to be given to the local fund drive.

The cultural program for the evening, "Modern Furniture and Floor Covering," was given in an interesting and brief informal talk by Pat Davenport.

The members then watched a film on the "Prevention of Cancer" from the National Society of Cancer Prevention.

Chill, assorted relishes and Cokes were served to the following members: Margaret Moore, Rosalee Dorris, Naida Upchurch, Betty Sue Hendrix, Marian Utter, Maryalce Morris, Mary Humm, Wilma Mae Rubel, Norma Johnson, Sadie Lou Stricklin, Pat Davenport, Bernice Kimberlin, Eleanor Molinarolo and LoDema Taylor.

Mrs. Kenneth White Hostess To Methodist Thompson Unit

Mrs. Kenneth White was hostess to the Methodist Thompson unit of the Methodist Wesleyan Service Guild Tuesday evening.

The meeting was opened with prayer by Mrs. Bob Norman. Mrs. Ed Kirkpatrick and Mrs. C. Wayne Brown presented the devotion and the lesson, "The Family—Stewards of the Christian Life." Mrs. Brown concluded the lesson by leading the members in an interesting quiz on quotations from the Bible.

Mrs. Ted Wolfe, president, presided over the business meeting during which the members made plans to hold a bake sale Feb. 12. The hostess, assisted by Mrs. Kirkpatrick and Mrs. Jack Renshaw served angel food cake and twenty-four-hour salad.

Present were Mrs. C. Wayne Brown, Mrs. Otis Hickey, Mrs. Ed Kirkpatrick, Mrs. Sam Leberman, Mrs. Bob Norman, Mrs. Harold Parker, Mrs. Darrell Piper, Mrs. Jack Renshaw, Mrs. John Schork, Mrs. Dick Schwartz, Mrs. Kenneth White, Mrs. Ted Wolfe and Mrs. J. D. Barter Jr.

Calendar Of Meetings

Galatia residents who wish to contribute to the polio fund are asked to turn on their porch lights from 5 p. m. to 6 p. m. Monday, Jan. 24.

The Pythian Sisters will meet tonight at 7 o'clock at the labor temple. Refreshments will be served and two birthdays will be observed.

Miss Barbara Roberts And Roy Fulkerson Wed At McKinley Baptist Church

Mr. and Mrs. William Roberts, 605 South McKinley, are announcing the marriage of their daughter, Barbara Jane, to Roy Harold Fulkerson, son of the late Mr. and Mrs. Grover Fulkerson.

The candlelight double ring ceremony took place Friday, Jan. 14, at 8 p. m. at the McKinley Avenue Baptist church with the Rev. J. D. McCarty reading the marriage vows.

Soft organ music was played by Miss Nancy Fulkerson, daughter of Mr. and Mrs. Charles Fulkerson, who also accompanied the soloist, Doyle Hedger, who sang "Because" and "Always."

The bride, escorted to the altar and given in marriage by her father, chose a street length dress of navy blue fashioned with a white lace collar trimmed with rhinestones and pearls, short sleeves and a tucked bodice. She also wore a white velvet hat and carried a colonial bouquet of mum petals and satin streamers surrounding a large white orchid.

Miss Dorothy Fulkerson, sister of the bridegroom, was maid of honor wearing a powder blue dress sprinkled with pearls and rhinestones over the bodice and a white hat. She carried a round bouquet of pale pink carnations and velvet leaves.

Kenneth Roberts, uncle of the bride, served as best man. Candlelighters were Ralph and Grover Dale Fulkerson, and Charles and Willard Fulkerson were ushers.

Mrs. Roberts wore a dress of navy with a white collar, pearls and navy accessories, and a corsage of pink gladioli. Mrs. Bill Merrow, sister of the bridegroom, also wore a navy dress of lace with navy accessories and identical flowers.

For the occasion the altar was beautifully decorated with candelabra and large baskets of white gladioli and chrysanthemums.

The bride is a senior at the Harrisburg Township high school from where Mr. Fulkerson graduated in 1947. Upon graduation he served in the U. S. Army and Navy. He is now employed at the Harrisburg Manufacturing company. They are making their home at 121 West South.

Karber's Ridge Saturday

Funeral services for Mrs. Edith Aldrich, former resident of Karber's Ridge who died at the home of a daughter, Mrs. Marvin Love, in Alton, will be held Saturday at 1 p. m. at Vinyard's Chapel in Karber's Ridge. Rev. Charles Evetts will officiate, and burial will be in the Pleasant Hill cemetery.

The body was received yesterday at the Hosick funeral home in Rosiclare and at noon today was taken to the home of a son, James Banks, in Karber's Ridge to lie in state.

Two Union Officials Plead Guilty to Racketeering

DANVILLE, Ill. (AP) — Two union officials have pleaded guilty to labor racketeering charges. It was the fourth such case to reach Illinois courts in recent weeks.

Orville (Dusty) Rhode, Danville, Ill., and Henry Highfill, Terre Haute, Ind., entered guilty pleas before Federal Judge Casper Platt Thursday.

They, along with Orell Souci, also of Terre Haute, had been accused of attempting to extort \$9,200 from the Rieth-Riley Construction Co., Goshen, Ind.

The three, all business agents for the AFL International Union of Operating Engineers, allegedly threatened to call strikes unless they received the money.

U. S. Atty. Clifford Raemer said the men were paid \$2,600 by the firm to insure "improved labor relations" on a highway project near Marshall, Ill., from 1951 to 1953.

Souci was indicted with the other

two men and his trial was scheduled for next week. Platt did not set a date for sentencing Rhode and Highfill.

Democrats Seek To Cut Expense Of House Group

WASHINGTON (AP)—Mrs. Harold H. Velde, wife of the former chairman, has resigned her \$8,000-a-year job as the "official reporter" for the House Un-American Activities committee.

But she still works at the Capitol as a \$6,000-a-year stenographer in her husband's office. Mrs. Velde, who married the Illinois Republican on Dec. 8, switched jobs on Jan. 3.

This was disclosed in the midst of an economy drive launched by the Democrats in taking over control of the committee. By reducing the staff and cutting some salaries, they hope to knock 20 per cent off the committee's spending budget.

The committee decided at a closed meeting Thursday to ask for a \$225,000 appropriation for 1955.

a reduction of \$150,000 from what it received last year. Even with the cut, the committee investigation still would be the most expensive on the hill.

Chairman Francis E. Walter (D-Pa.), who took over the gavel from Velde, told newsmen that the committee has set out to learn why some of its investigators are paid better than FBI agents.

He said staff investigators are paid up to \$11,800-a-year, or some \$3,000 more than the pay of the average FBI man. It appeared to him, he said, that "some of the staff is overpaid."

The committee will not replace some of the employees who have submitted resignations in the change-over from Republican to Democratic control.

This will be true in the case of Mrs. Velde.

Nun, Elderly Woman Suffocate in Fire

ROCK ISLAND, Ill. (AP)—An elderly woman and a nun died of suffocation and 11 other persons were overcome by smoke Thursday night when fire swept the chapel of a nursing home.

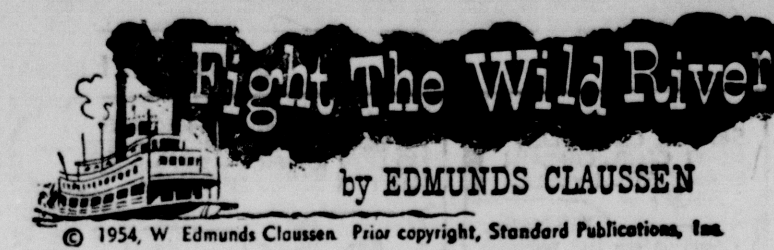

The bodies of Sister Mary Loretta and Mrs. Lula Spring were found in smoke-filled rooms on the second floor of the 15-room Huber Memorial Home for the Aged.

Nine patients, a fireman, and another nun were taken to a nearby hospital to be treated for smoke inhalation. The nun, Sister Mary St. John, was said to be in critical condition.

Criminologist to Investigate Slaying Of Marilyn Sheppard

CLEVELAND, O. (AP)—Dr. Paul Kirk, a noted criminologist, arrives here Saturday to investigate the bludgeoning slaying of Mrs. Marilyn Sheppard, whose husband was convicted of her murder and sentenced to life imprisonment.

The two brothers of Dr. Samuel Sheppard, the dead woman's husband, engaged Kirk to investigate the crime and find "the real murderer." Sheppard has contended

an intruder beat his wife to death last July 4.

Kirk, a professor at the University of California, was expected to be here three or four days.

Sheppard left his jail cell for several hours Thursday to attend funeral services for his father, Dr. Richard A. Sheppard, who died Tuesday. The elder Sheppard was buried in a grave next to his wife, who committed suicide Jan. 11.

Styling that's stealing the thunder from the high-priced cars!

The styling spotlight blazes down on a low-cost car this year—for the Motoramic Chevrolet is stealing the show from the high-priced cars with its subtle sweep of line, the brilliant sophistication of its European-type grille, the bold rake of its deep-curved windshield.

And there's even more excitement in the way it drives—the velvety comfort of Glide-Ride front suspension and outrigger rear springs, the handling ease of Ball-Race steering, the flashing performance of the new 162-h.p. "Turbo-Fire V8"

engine or the two new "Blue-Flame" 6's. All this—plus the extra-cost options of Powerglide or Overdrive and a full range of power assists. Try a 1955 Chevrolet—now—and you'll know why it is stealing the thunder from the high-priced cars.

Crab Orchard, Bluford to Play In Tourney Finals

Bluford overhauled Thompsonville in the final quarter last night at Waltonville to earn the right to play Crab Orchard in the Little Egyptian conference tourney finale. The final score was 62-58. Crab Orchard ousted Royalton, defending champs, 52-46.

Thompsonville, beaten earlier in the season by Bluford by 17 points, led most of the way. Ahead 19-13 at the quarter, the Tigers were outscored 20-14 in the second, as Bluford knotted the count for the halftime intermission.

Bob Munday's cagers again took over the lead in the third and entered the final canto with a slim 52-50 margin. Bluford gained the lead midway in the period and held on for the buzzer.

Thompsonville caged 23 of 47 field goal attempts for a brilliant 49 per cent. Bluford made 21 of 63 for 33 per cent. At the free throw line, the Tigers made 12 of 22. Bluford 20 of 29.

Shawneetown, Vienna Meet in Finals of Pope County Tourney

Galatia Will Play Rosiclare in Consolation Tilt

Shawneetown and Vienna won their way into the finals of the Greater Egyptian conference tournament last night at Pope County high school gymnasium, the unbeaten Indians eliminating defending champs, Galatia, in a thriller, 37-28. Vienna whipped scrappy Rosiclare, 95-70, in the free-scoring aftermath.

The two losers — Galatia and Rosiclare — will clash tonight at 7 o'clock for consolation honors. The title-deciding tilt will follow immediately. The Indians have already beaten Vienna twice this season in regular play — once 63-36 and a second time, 74-56.

Shawneetown may be forced to go against the rangy Vienna team without their tallest man, for big Jack Nolen, Indian offensive star, has been down in bed the past two days. His possibility of seeing action tonight is somewhat doubtful. The Vienna club has won 12, lost seven thus far. Included in the victories is the Karnak tourney title.

Control Game in Final Period
Despite their nine-point loss, Sammy Miranda's Galatians were contenders into the final minutes of the game against Shawneetown. In fact, the Bearcats entered the final period with a 26-25 edge. Garrison Newsom cracked a fade-away shot from out front, and the Ronnie Joyner followed a later try for an under-the-basket layin. These two baskets came in the early part of the quarter and gave the Indians a 29-26 lead. With this margin, the Indians went into a control game which Galatia was content to let rule until the closing three minutes.

With a minute and 51 seconds remaining in the game, Shawneetown held the meager three-point edge. Galatia in the desperation to gain the ball for last minute shots drew fouls. Spottsville hit three giving the Indians a 32-26 margin. Joyner gathered in another fielder underneath the hoop, making it 34-26. Spottsville got a follow-up, and the Indians led, 36-26. Clarida finally broke the ice for Galatia with a push shot, the Bearcats' only points of the quarter. Spottsville hit another from the foul line in the last five seconds to complete the scoring.

Had inflicted on Galatia earlier. The 'Cats played to control the ball as much as possible. During the first period it appeared the strategy might not work against the Indians, who piled up a 5-1 lead. But as the Shawnees began to miss on some of their attempts, Galatia commenced connecting. During the second canto, the Bearcats outscored the unbeaten Indians, 17-11 and marched off to the dressing room at halftime with an 18-16 edge.

Both teams played cautiously throughout the third. Jack Drone, in the Shawneetown lineup for the ailing Nolen, picked up seven of the Indians' nine points in this period. Galatia scored but eight for the quarter but still maintained a one-point margin going into the final quarter.

Galatia hit eight of 21 shots from the field for a tidy 381. They also made 12 of 18 charity tosses. Shawneetown converted 13 of 38 tries for goals but made only 11 of 26 gift offers.

Carroll Belcher's Vienna team looked like a Paul Bunyan cage club up against tiny Rosiclare. Only Rosiclare's speed, scrap and alertness kept them in the game. The improved Bears clung within striking distance of the hot shooting Eagles for a half then slipped under the continued Vienna power. Vienna broke out of a 12-12 tie late in the first quarter to assume a 22-14 edge. They continued to pour it on in the second with Rosiclare slipping behind 15 points at one time. The halftime score was 43-30, Vienna.

Vienna's towering reserve center, Jim Penrod, led the Eagles during the second half. His height under the hoop was too much for the small Bears. Penrod scored 21 of his 24 points in the last half. The Bears trailed 66-44 entering the final quarter, but were outscored only 29-26 in the last eight minutes.

As compared to the first game, Vienna shot 68 times from the field, making 36 for a blazing .529. Rosiclare took 74 attempts and hit 27 for .365.

Play Begins in Church Tourney

Play started in the church-sponsored basketball tournament at Davenport gym Thursday night with three games played. The fourth game scheduled was forfeited to McKinley Baptist.

In the younger division Dorrisville Baptist defeated Bankston Fork Baptist 22-15 and McKinley Baptist won a forfeit when the First Methodist entry failed to appear.

McKinley Baptist won from Dorrisville Baptist 29-16 and Bankston Fork Baptist defeated the Presbyterian church team 23-19 in the senior division.

Play will continue Tuesday with the following schedule:
Younger Group
Mt. Calvary Baptist vs. Salvation Army.
Social Brethren vs. Christian.
Older Group
First Baptist vs. First Methodist.
Muddy Baptist vs. Sloan Street General Baptist.

Furman Star Tops Freeman In Cage Scoring

NEW YORK — Darrell Floyd of Furman has taken the major college basketball scoring lead from Ohio State's Robin Freeman. NCAA Service Bureau statistics covering games through last Saturday, show Floyd with a 35.1 average and Freeman, with a par of 34.9 per game. The new leader scored 109 points in three games last week to Freeman's 33 in one.

Floyd has scored 228 points in his last six games, an average of 38 per contest. Freeman, meanwhile, has slowed down to a 31.3 rate in his last six.

Buzz Wilkinson of Virginia advanced to third place with a 32-point average and has the most points — 512 in 16 games.

A third player climbed to the exclusive 2,000-point total when John Carroll's George Dalton, now in his fourth year, pushed his career total to 2,015 last week. Dickie Henric of Wake Forest and Tom Gola of LaSalle hit the 2,000 mark earlier this season.

Dick O'Neal of Texas Christian, who scored 64 points in two games last week to move up from 14th to eighth, is the only newcomer to the top 10 this week.

The field goal accuracy lead again changed hands between Gene Carpenter of Texas Tech and Bow Strawser of Ohio University. Carpenter is back on top with a 63.8 per cent accuracy figure to Strawser's 63.5.

The nation's most accurate foul shooter again is Jim Scott of West Texas State, with a 92.7 efficiency figure. He made 10 of 12 last week and has missed only 8 of 109 attempts. The second best percentage, 88.5, belongs to Bobby Walczak of Marquette.

Rebound leader is Art Quimby of Connecticut over runner-up Charlie Slack of Marshall, the pregame averages being 25.4 to 25.1. LaSalle's Tom Gola is third in the averages with 21.1.

Martin, Mizell To Lead 18 GIs Back to Majors
NEW YORK — Billy Martin of the Yankees, Vinegar Bend Mizell of the Cardinals and Dick Groat of the Pirates lead a parade of 18 baseball GIs who will return next season to give their old major league clubs a lift in the pennant races.

Ten of the 16 major league teams will receive bonus packages from the armed services either before the start of spring training or early during the regular season. Naturally, hopes run high that the 1955 crop turns out a few handy guys like Ted Williams and Willie Mays of last season's gang.

Neither Martin nor Mizell is due out of the Army in time for spring training. But Billy (The Kid), hero of the Yankees' 1953 World Series triumph over the Dodgers, is due to be discharged late in June, and Mizell, who had a 13-11 record for the Cards in 1953, should be out early in July. They should give both plenty of time to make their impact on the pennant races.

Groat, a former All America baseball and basketball player at Duke University, stepped directly to the majors in 1952 and batted .284 for the Pirates. The 24-year-old shortstop is scheduled for discharge in time to join the Pirates for spring training.

The Tigers are due to welcome back the biggest GI delegation, five men trading their khakis for baseball flannels. The Pirates get back three players, the Red Sox and Athletics two each, and the Dodgers, Cubs, Cardinals, Yankees, White Sox and Indians one each.

Bull Dogs Play Eldorado Eagles Tonight at Davenport Gymnasium

A good Eldorado team which holds victories over West Frankfort and Benton of the South Seven league comes to Harrisburg tonight seeking revenge for a defeat handed the Eagles by the Bull Dogs in December.

The Dec. 5 contest was played in Davenport gym and was won by Harrisburg, 62-58. Tonight's game is Eldorado's home game but is being held here because of more seats for the cash customers.

Eldorado opened its season with a win over Benton and last Saturday night took West Frankfort into camp, 41-35, the evening after Harrisburg lost to the Red Birds, 44 to 42.

So tonight's game stacks up as a good one, with Harrisburg showing improvement in the West Frankfort contest and against Benton here Tuesday night when the locals won, 67 to 60. A big crowd, but not one that will completely fill the gym, is expected.

Lindell Lovellette, 6-2, and Keith Whittier, 6 feet, comprise the backbone of the Eldorado team. Lovellette, a strong, broad-shouldered lad, is good in under-the-basket play, both on offense and defense. Whittier is a boy with savvy, finesse and shooting ability. Bob Lafoon, six feet, and Ronnie Clark, 5-8, are first stringers, and until last week Frank Willis, 5-7, was the fifth man. However, against West Frankfort Coach Al Adams used Ed Lissak, 6-2½, to get more height in his lineup.

Coach Gene Bland probably will string along with the combination that beat Benton and the boys seeing most of the action this year: Dave Harrison and Dave Anglin at forwards, John Wilson at center, and Don Price and Charles Polk at guards.

Bland this week added an 11th man to his squad, Jack Wright, a 6-1 junior who was on the squad before the final cut in December. He was brought up after Joe Dorris became ill and Bland had but nine men suited up Tuesday night. Dorris is back but Bland said that he plans to carry 11 men now until the time of the regional tournament, when only ten men can enter play. Wright, a forward, has been

Basilio Risks Shot at Title In Bout Tonight

SYRACUSE, N. Y. — Crowd-pleasing Carmen Basilio risks both a 10-bout unbeaten string and a promised shot at the welterweight championship tonight in a battle with madeup Peter Mueller, the German middleweight slugger who once kayoed a referee.

Odds-makers figure Basilio a 3-1 favorite for the nationally televised and broadcast 10-rounder at War Memorial Auditorium. It was sold out last Monday.

But it's a mighty dangerous night for the hatchet-faced onion farmer from nearby Canastota, N. Y. A defeat could easily wipe out Basilio's tentatively scheduled title bout with welter champion Johnny Saxton at Syracuse, April 1, for Saxton admittedly would rather risk his newly won crown at Los Angeles against Ramon Fuentes.

keeping himself in shape. There will be two South Seven conference games and Carrier Mills will be host to Sesser tonight, also. The loop tilts find West Frankfort at Centralia and Marion at Mt. Vernon.

One of the two Saturday night conference affairs will be in Davenport gym, the Mt. Vernon Rams being the invaders. The other loop affair sends Herrin to West Frankfort. Zeigler will be at Eldorado and Centralia at Vandalia.

Amateur Santa Claus Again Gives Away Money

CHICAGO (UPI)—There's a wonderful man living in Chicago who gets a kick out of giving away money.

He struck again Thursday.

Masco Stone, a 25-year-old carpenter, was repairing the front of a building when the amateur Santa Claus showed up.

"It must take a lot of money to keep these old buildings in shape," the stranger said.

"I guess so," Stone answered. "Here then," the man said, and handed Stone five brand new \$20 bills.

Stone feared at first that the \$100 was counterfeit. He took the bills to a police station, where the envious officers assured him they were the real thing.

Stone's description of his benefactor tallied with that of a man who gave \$300 to a hitchhiker last Friday.

Cecil Mayes of Evergreen, N. C., was standing by the roadside when Uncle Bountiful drove up.

The man asked Mayes if he believed in God. When Mayes said he did, the man gave him six \$50 bills.

Woman Leaves \$125,000 to Town For Community Center

BATAVIA, Ill. (UPI)—A woman who "lived so quietly and modestly that most Batavians didn't dream she had any money" left \$125,000 to the town for a new civic center.

In her will, which was probated Thursday, Miss Myrtle Bartholomew said she wanted the civic center built as a memorial to her brother and herself and their "interest in the community of Batavia." The brother, Harry, died previously.

Miss Bartholomew was a graduate of the University of Chicago and had once been a lecturer. At the time of her death Jan. 9 at the age of 73 she was employed as a dietitian at Mooseheart, a children's home operated by a fraternal order.

She left four Batavia churches, the public library and the Geneva Community hospital \$2,000 each.

Iowa, Northwestern to Meet in Television Tilt; Will Cut 3-Team Race

CHICAGO (UPI)—The three-team chase for first place in the Big Ten basketball race will be cut to two, or possibly one, Saturday.

Three conference games are on the program, featured by the televised scrap between Iowa and Northwestern.

The Hawkeyes share the lead currently with Minnesota, slated to appear at Michigan State Saturday night, while Northwestern holds third place. Each has been beaten once, while Iowa and Minnesota each has won three games and Northwestern two.

Iowa is favored

Iowa was made a four-point favorite to down the Wildcats, but there was little to choose between the two clubs. The Hawkeyes have averaged 88 points per game against Big Ten opponents, while Northwestern has hit for 81.3.

On defense Northwestern has permitted conference opponents to average 79 points a game and Iowa has allowed 77.7. Iowa held an edge in free throw ability, collecting on 64 per cent of its tries, while Northwestern has hit on 57 per cent. But in field goal shooting Northwestern has connected on 43.9 per cent and Iowa 43.1.

Northwestern has two players among the top 10 in scoring, Hal Grant with a 20.6 point per game average and Frank Elumund with 20. Iowa's Carl Cain ranks 10th in scoring with an 18-point mark.

Cage, Music Program
At Carrier Mills High
Saturday for Polio Fund

A program of basketball and music has been announced for Saturday night at the Carrier Mills high school gymnasium with all proceeds to the Polio fund.

A cage contest featuring the Galatia and Carrier Mills independents is slated to get underway shortly after 8 p. m.

Music will be furnished by the Golden Key quartet, Kings Messengers quartet and the Dorrisville quartet. It was announced today.

There will be singing before the ball game and at half time, with the first part of the musical program to start about 7:30.

There will be no admission, but donations will be accepted, with all money received going to the March of Dimes Polio campaign.

A similar program was staged last year and more than \$100 was received. The co-chairmen of tomorrow night's program, Jimmy Thornton and Harry Fife, invite everyone to come out for a full evening of entertainment.

Eisenhower May Send Message to Congress on Crisis

By United Press
Indications grew today that President Eisenhower will soon send Congress a message on the Far East crisis.

They supported authoritative reports that Mr. Eisenhower will ask the House and Senate to give formal approval to use of American air and sea power to defend Formosa and, if necessary, to evacuate Chinese Nationalist forces under attack in the Tachen Islands by the Chinese Reds.

Senate Republican Leader William F. Knowland indicated he expects a presidential message, perhaps the first of next week.

Congressional leaders reacted cautiously or skeptically to the Chinese Communist offer of safe conduct to Americans wishing to visit their relatives among U. S. airmen jailed by the Reds.

War Veteran, 33, Dies of Polio

AURORA, Ill. (UPI)—A 33-year-old polio victim who was a leader of the local March of Dimes campaign died Thursday.

Jack A. Tavega, a World War II veteran and father of two children, was stricken with polio in September, 1950, and lived for two years in an iron lung at Copley Memorial hospital.

On Dec. 21, 1952, Tavega moved from the hospital to a specially designed home which had been built with materials and labor contributed by the community. His home became the center for March of Dimes campaigns.

He was taken to a hospital Wednesday with a cold.

Tavega was survived by his wife, Eunice, a son Jimmy, 7, and a daughter, Kathy, 5.

Advices Vets to Record Discharges in Circuit Clerk's Office

James Arthur Moore, Saline County service officer of the American Legion, today urged all veterans of World Wars I and II and the Korean conflict to be sure they have their discharges recorded in the circuit clerk's office.

He said he had received a Defense Department order which said that the government after Feb. 1 would charge \$1.50 for duplicate discharges and that \$2 an hour would be charged in searching for other necessary records.
